

# energyon

renewable energy power solutions

## RESIDENTIAL **Solar & Battery**

Solar PV and battery backup solutions for every home in South Africa with flexible financing options available.

# Residential Packages

Keep your lights and essential appliances on during load shedding or other power outages. Our affordable payment options make it easy for you to invest in a reliable, cost-effective solar PV and battery backup system for your home.

## 3.6kW Hybrid Inverter 3.84kWh Lithium Battery

**R1 460 pm**  
or R61 650 once-off

3.6kW SunSynk Hybrid Inverter  
3.84kWh Integrated Lithium Battery  
AC Distribution Board  
Cables & Trunking  
Surge Protection  
Monitor from your phone  
Installation & Electrical COC  
**10 Year Warranty**

**Power:** Essential Lights & Essential Plugs

## 5kW Hybrid Inverter 5.32kWh Lithium Battery

**R1 890 pm**  
or R79 660 once-off

5kW SunSynk Hybrid Inverter  
5.32kWh SunSynk Lithium Battery  
AC Distribution Board  
Cables & Trunking  
Surge Protection  
Monitor from your phone  
Installation & Electrical COC  
**10 Year Warranty**

**Power:** All Lights & Essential Plugs

## 8kW Hybrid Inverter 10.65kWh Lithium Battery

**R3 040 pm**  
or R128 280 once-off

8kW SunSynk Hybrid Inverter  
10.65kWh SunSynk Lithium Battery  
AC Distribution Board  
Cables & Trunking  
Surge Protection  
Monitor from your phone  
Installation & Electrical COC  
**10 Year Warranty**

**Power:** All Lights & All Plugs

## 16kW Hybrid Inverter 21.3kWh Lithium Battery

**R5 460 pm**  
or R230 980 once-off

16kW SunSynk Hybrid Inverter  
21.3kWh SunSynk Lithium Battery  
AC Distribution Board  
Cables & Trunking  
Surge Protection  
Monitor from your phone  
Installation & Electrical COC  
**10 Year Warranty**

**Power:** Whole Home (Lights, Plugs, Aircons, Pool & Heatpump)

## Upgrade Battery Storage

**R850pm** or R35 730 once-off

Per each extra **5.32kWh Battery** storage

### 15 Years

Experience in the solar PV & power backup industry

### CoC

Receive a Certificate of Compliance by Qualified Professionals

### Financing

Pay monthly in affordable installments

### Support

Ongoing support after installation for optimal performance

# + Add Solar PV to your System

- ✓ Solar PV Modules
- ✓ Roof mounting structure
- ✓ Surge Protection
- ✓ Cabling
- ✓ Installation

**Reliable, sustainable & cost-effective**

2020W Solar PV Installed	Generate 285kWh / month*	Add <b>R640 pm</b> or R27 090 once-off
4040W Solar PV Installed	Generate 571kWh / month*	Add <b>R1 060 pm</b> or R44 520 once-off
6060W Solar PV Installed	Generate 856kWh / month*	Add <b>R1 530 pm</b> or R64 730 once-off
9090W Solar PV Installed	Generate 1284kWh / month*	Add <b>R2 150 pm</b> or R90 860 once-off
13130W Solar PV Installed	Generate 1855kWh / month*	Add <b>R3 080 pm</b> or R130 030 once-off
18180W Solar PV Installed	Generate 2569kWh / month*	Add <b>R4 230 pm</b> or R178 840 once-off

### Terms & Conditions:

- All pricing includes VAT @ 15%.
- Once-off cash option payment terms: 50% on order. 50% before delivery/installation.
- Pricing valid for installations in and around all South African metros and large towns.
- Inverter & Batteries within 3m of existing AC DB.
- Rooftop solar PV on the same building, within 20m of the inverter with no specialised access/rigging.
- Additional electrical changes/work (if any) not included.
- Supplementary electrical COC for EnergyOn installation and not for the existing electrical installations. We require a copy of the existing electrical COC before installation.
- Estimated average monthly PV yield based on north facing roof, 20 degrees tilt and may differ per installation.
- Upgrade Options and/or Solar PV can not be bought separately and has to be added to the base package and cost.
- Advertised monthly pricing is based on typical monthly installments over a 60-month linked rent-to-own term and is subject to individual credit approval, thus it may vary.
